Annual Report for the year 2020-21

Navjan Foundation [Earlier known as Shree Kalyan Sewa Sanstha] was registered on 23.07.2009 at Jaipur as a Public Charitable Society with the aims and objectives of providing services to the public at large specially to the people of Rajasthan in all the fields which effect the general life of the people with emphasis in the fields of education, medical relief, health awareness, environment and water conservation, rural employment, help to the widows, old and the destitute, promotion and conservation of the heritage and culture etc.

The annual report of the Trust for the financial year 2020 – 2021 is present below:

Incomes: During the year, donations amounting to Rs. 1,11,300/- were received from the members. Also, interest from the bank on the savings bank amounting to Rs. 2,676/- also accrued for the year.

Activities:

Water conservation programmes: With shortage of rainfall and the groundwater level going down, water shortage has become a major point of concern in Rajasthan, thus making conservation of water is very important in the present days as the life would become very difficult if the same is not done. To replenish the ground water table and store the rain water, manmade ponds and check dams are the best method. The Foundation is engaged in making various ponds in Village Raithal. Village Chak Gulabpura and Village Jankinathpura, District –Jaipur, Rajasthan and has spent Rs. 15,34,000/- on this programme during the year.

Disabled Pension : Physical & Mental Disability is a harsh reality of life during which the earning capacity of a person is almost negligible whereas on the other hand the expenses on the account of medical expenses and day to day living expenses increase. This problem gets aggravated when there is either no member in the family to look after the disabled or the family members are not taking the due care required. To mitigate the hardships of such needy disabled people, the Foundation has been providing assistance. During the year, a need based aid amounting to Rs. 36,000/- was provided which was very much appreciated not only by the beneficiaries but also by others.

Widow Pension : When the man of the family dies, the female is left without any support which is a harsh reality of life. With the responsibility of other family members falling on her shoulders and the earning capacity of the females being almost negligible and the expenses on the account of day to day living expenses increase. To mitigate the hardships of such needy widows, the Foundation has been providing assistance. During the year, a need based aid amounting to Rs. 60,000/- was provided which was very much appreciated not only by the beneficiaries but also by others.

During the above year, though the Foundation had carried out activities though at a small scale but still it intends to do at a much higher scale and thus it has been decided to make more and more people aware of the activities of the Foundation so that they come forward in the form of providing donations. It has also been decided to approach the various governmental agencies, which can provide donations to the Foundation to carry out the aims and objectives of the Foundation for the betterment of the people. We look forward for a greater cooperation and expect that the horizon of the activities of the Foundation would widen.

Thanking You,

[Manvendra Singh Shekhawat]
President
